

OPERATION:

EAGLE EYE

Be part of Operation Eagle Eye and help Stockport Council's Road Safety Team and Greater Manchester Police to improve road safety around your school. Together we can help target:

SPEED: Encouraging drivers to slow down

MOBILE PHONES: Ensuring drivers switch off their phones or hand held devices before turning on their engines

SEAT BELTS: Reminding drivers that not wearing a seatbelt can be fatal even on short, familiar journeys and at low speeds

PARKING: Encouraging drivers to park considerately and safely

If you want to make a difference on local roads around your school contact the Operation Eagle Eye team:

Visit: www.stockport.gov.uk/eagleeye
or email: eagleeye@stockport.gov.uk
