Broadstone Hall Primary School
Education City

Dear Parents/Carers

We currently use EducationCity.com in the school, and we have the option to allow your child access to this at home through our school subscription. If you would be interested in this opportunity, you can purchase this via www.ParentPay.com at a cost of **£2.50** per pupil. (Your ParentPay login has been sent home this week) Your subscription will last for a year.

www.EducationCity.com is an online resource with fun activities that will reinforce the learning inside the classroom. By allowing access at home, your child will be able to access fun, engaging activities that will help reinforce their in-school learning.

Login details will allow your child to access EducationCity.com from any computer (PC or Mac) that has internet access. Should you not have internet access at home, your child will be able to use the facilities at school or the local library.

Once we have received the orders your login will be sent home with your child. This will take a few weeks.
