

Reception Weekly News!

Friday 17th March

What a super week we have had!

The children have enjoyed reading the three little pigs and have got on board with our storytelling, poster writing, drama activities and house building. We also built some houses in our outdoor provision area using our gross motor skills and different materials. Team work and communication was the key!

We had a really successful weekly wander to the mill and back, looking at key features of the building, materials and we even had a chat about some of the mill's history! Thank you to all that helped.

One last thing... the children have worked hard to create a beautiful little surprise for you on Sunday Morning. We hope that you love it!

What have we been learning in phonics?

This week's sound is:

igh

We have been reading and writing words with the igh sound in. Can you ask your child to look at the pictures on the back of this sheet and put a tick by the words that have igh in them? If they are feeling like they need more of a challenge, could they label the word using our new igh sound?

What have we been learning in Maths?

This week we have been exploring the number 9 with a particular focus on linking addition and taking away. We have been using tens frames and the part-part-whole model to really secure this number knowledge and their fluency of number bonds that make 9. Number stories have made this fun too!

Weekly Key Words

In monster phonics this week we have been focusing on the HFW words:

like, when, little, what, by

Can your child sight read and write these words?

Please remember to keep practising the words and sounds in your blue book! Thank you.

Tapestry Challenge!

Can you go on your own weekly wander? How many different types of materials can you find on the local buildings in your area? (e.g. bricks, wood, glass, etc.) You could either take pictures of some of the different materials that you find or you could write a list of them. Maybe you could draw your own house and label what it is made out of. Have fun!

Don't forget!

- Library books are changed on a Friday
- Blue books in school everyday
- PE Kit (white top and black shorts) to be kept in school and named
- No juice in school please, water only in bottles-Thank you
