

Parents E-Safety

Broadstone Hall Primary School
E-safety Evening for Parents
Monday 24th April 2017

Dear Parent/Carer,

As you may know from the last dates list that was sent out, we are holding an e-safety awareness evening for parents on Monday 24/04/17 at 6pm. We would be really grateful if you could complete our e-safety survey and return it to school by Friday 21/04/17.

E-Safety is about the protection of children whilst they are using the internet and digital technologies. This includes: risk-taking and inappropriate behaviour by children and young people; risks and inappropriate behaviour by others to children and young people; illegal activity.

Whilst our school strives to empower your children with the knowledge to stay safe, it is important that you have a good awareness of the risks and dangers yourself.

Overleaf, there are 20 questions that should take you no longer than fifteen minutes to complete. The results of this survey will give us a better understanding of any risks or knowledge gaps so that we can help you.

Please return these to school via your child once completed, or drop them in to the Office, along with the attendance slip below.

Thank you for taking the time.

Simon Langley,

Headteacher
