There were 6 teams altogether; us, St.Thomas's, St. Thomas's 2, Tithe Barn, Didsbury road & St. Joseph's. Tithe Barn won by 4 points but we tried our best and did really well!" written by Isaac B 4EE, Ella S 4FM, Carys R 4SH & Asaph H 4EE

On Wednesday, 3 x Year 5 classes went to Jodrell Bank to find out more about Space. They explored about galaxies and solar systems. They even got to use some of the equipment such as plasma balls & touch screens to read about different types of space industry.

The children had a talk about how the radio telescope was made & watched a short informative film about Jodrell Bank. Outside they got to use the different experiments, including the whispering telescopes which were very fun. Thank-you to **Dahlia C-G, Alexa Z, Noah M, Lexi E and Zoha, R 5LK** for their reports.
