

Reception Weekly News!

Friday 26th May 2023

We have made it! What a great half term, with lots of experiences for your children to enjoy. We are really seeing some great improvement with your children's learning which is great to see, WELL DONE to them 😊

Holiday time is a great opportunity to spend time with your family and friends but it's also a great time to keep supporting your child to learn.

Opportunities will always arise for them to read and write as well as counting in everyday activities you will be doing with them.

Looking forward to some lovely dry days where you will be able to get out and give your child lots of opportunities for language as well as physical activities.

What have we been learning in Maths?

We have been improving our counting down from 20.

We have been naming 2d/flat shapes using vocabulary such as **sides, straight, vertices, points, corners and curved.**

What have we been learning in phonics?

Now we have covered all the sounds in Reception our work now is to use and apply these in our reading and writing.

Your child has been blending 4 sounds, CVCC. When you are reading with your child see if you can spot words with 4 sounds, can we blend and read these words.

Weekly Key Words

Your child needs to know 100 key words by the end of reception. We are going to be adding these to our homework for you to support your child to learn.
