You are invited to join us at our Recorder Taster Day on Saturday 12th May from 10am –12 noon.

There will be an opportunity to see and hear the full range of recorders, perform a solo or a group piece, play together with other recorder players and listen to the current students of Stockport Recorder College.

If you would like to attend, it would be helpful if you could contact us and indicate whether you would like to play a solo or ensemble piece in the short informal concert.

Alternatively, just turn up on the day!

SRC is a group of young recorder players that meets on Saturday morning at Hazel Grove Methodist Church between 9am and 12.30pm. All abilities of players are catered for with some of the youngest joining us for the first hour of the morning.

At SRC, we aim to have fun playing music together with a mix of solo (playing on your own) and ensemble (playing together) music through which we develop skills in recorder technique, general musicianship and basic music theory. We perform in concerts, take part in the music festivals and there is the opportunity to work towards Trinity College of London practical exams.

All classes at SRC are taught by experienced (& DBS checked) recorder teachers who give their time free of charge.
