

BROADSTONE HALL PRIMARY SCHOOL NEWSLETTER

Week 43 ending 5th July 2024

Welcome to the Broadstone Hall Primary School Newsletter!

HEADTEACHERS NOTE

What a week; but the highlight has to be **FOBFEST 2024!** Our spirits were not dampened by the weather; in fact, it only made us more determined! I am so proud to be part of a team of staff & volunteers that adapted so quickly to **Plan B** using the dining room, main hall and Early Years playground – offering a lot more shelter from the downpours.

AND IT WAS A HUGE SUCCESS!!! £2345.00 raised! Almost £500 more than last year! Thank you for coming to support.

SUMMER READING CHALLENGE 2024

1 in 4 children cannot read well by the age of 11. This hugely limits their life choices and skills. We're on a mission to change this and we need your help! We are inviting you to take part in the **Summer Reading Challenge**. It's the UK's biggest reading for pleasure programme for children aged 4 to 11, delivered via public libraries. Children can sign up for free at their local library or [online](#)

The Summer Reading Challenge:

- Significantly **improves reading confidence** and independence
- Ensures pupils are **ready for their return to school**, preventing the summer reading 'dip'
- Aids the **successful transition** between year groups and key stages
- Contributes to *all* pupils' **achievement**
- Encourages **extra-curricular activity** – encouraging family engagement with reading
- Develops links between your school, the library and the **wider community**

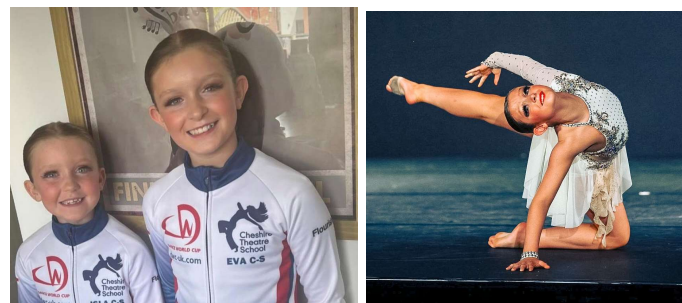

For children who took part in 2023:

- **80% read more** over the summer holidays
- **70% improved** their reading skills
- **72% felt more confident** about their reading
- Library staff and volunteers help children to discover new books that suit their interests and reading level and run a programme of free themed activities in the library. too! www.summerreadingchallenge.org.uk
