

9th October 2018

PARENT GOVERNOR ELECTION LETTER October 2018

Dear Parent/Carer,

I wrote to you on 27th September 2018 to invite nominations for the vacancy for a parent governor.

I am delighted to say that there has been a good response and there are **2 candidates** for the one vacancy. This means we must now hold a ballot.

Attached to this letter is:

- a ballot paper with the names of the candidates (in alphabetical order)
- a copy of the personal statements from the candidates who are;
Catherine Fullalove
Martin McNulty

You may vote for up to **ONE** of the candidates. Each parent can submit one ballot paper, regardless of the number of pupils you have attending the school. As indicated on the ballot paper you should vote by marking an X alongside the name of the parent you support.

Once you have marked the ballot paper you should seal it in the envelope. This should then be put in the ballot box, which can be found which can be found School Office Reception by Wednesday 17th October 2018.

If it is not possible for you to vote in person, please return to the following address:

Broadstone Hall Primary School,
Broadstone Hall Road South,
Heaton Chapel,
Stockport,
SK4 5JD

The election will be decided by a simple majority of votes cast. In the event of a tie, lots will be drawn.

When the election has been completed I will let you know the outcome. If in the meantime you have any queries, please contact the School Office.

Yours faithfully,

Simon Langley

Headteacher

PARENT GOVERNOR BALLOT PAPER October 2018

There is **one** vacancy for parent governor. You may vote for **ONE** candidate only.
DO NOT vote more than once for each/any candidate, as this would make your voting paper null & void.

Candidates' Personal Statements

Catherine Fullalove

I wish to be considered for the position of Parent Governor because I feel I have many skills and qualities to offer the school.

I have an excellent working knowledge of the primary education system; I work part time as a Key Stage Two teacher in a Stockport primary school. I have a very clear understanding of the pressures and challenges facing schools.

I would relish the opportunity to help support Broadstone Hall to drive forward academic progress whilst ensuring the pupils have as many curricular and extra-curricular opportunities as possible so they can fully develop as young people.

My daughter has just started Reception and I am very keen to be involved in the school in order to support her education and help Broadstone Hall be the best that it can be for the whole school community.

I have undertaken some reading around the role of parent governor to ensure I understand what would be expected of me and I feel that I have the skills, motivation and time to dedicate to the role.

Martin McNulty

I am an engineering consultant at one of the UK's largest and oldest firms.

My position is that of vibration and vibro-acoustic specialist and I lead a team of highly skilled staff responsible for solving complex engineering problems.

Every day I use a combination of measurement systems, bespoke computational modelling and award winning research to serve our clients. From this, I understand that an early grasp of STEM subjects reaps rewards in later life.

I would love to bring my technical, teaming-building, project management and business development skills to the role and would be happily give my time to fulfil my governorship duties.

I do hope that the board consider me suitable for the role.

I also make a nice brew! 😊
