

Our Core Values

Co-operative, Resilient,
independent, confident and kind
learners

Year 6 Spring 1

Our Motto

Have the Courage to Succeed

The Year 6s have an exciting curriculum planned for them this half term.

Music

As musicians, the children in 6ZW will learn how to play ukulele with a specialist teacher from Stockport Music Service. Children in 6CM and 6JL will learn and perform songs with instruments

D.T.

As designers, we will be researching toys linked to circuits in order to design, create and evaluate a steady hand game.

Science

As scientists, we will identify and name the main parts of the human circulatory system, alongside learning about the impact of diet, exercise, drugs and lifestyle on the way our bodies function.

History

In history, we will be learning about WW1 and WW2 and the impact it had on our local area. We will be investigating primary and secondary sources including letters from the front line and propaganda. Furthermore, we will be looking closely at people from the local community at the time, including the cockleshell hero.

English

As readers, we will continue developing our skills to retrieve and infer information from a variety of fiction and non-fiction.

As writers, we will be writing a survival guide inspired by the novel 'The Explorer' by Katherine Rundell. We will be reading several novels linked to the wars and use these to explore different narratives.

P.E

In PE we will be doing a variety of sports activities including: cricket, basketball and badminton.

Computing

As computer programmers, we will be learning how to use spreadsheets; we will be able to navigate around a spreadsheet, using data and formatting cells. Additionally, we will investigate how spreadsheets can automatically create graphs and how we can use formulae to calculate using data.

Mathematics

As mathematicians, we will continue to learn about algebra including how to write expressions and use formulae.

We will then link our knowledge of fractions when calculating and converting decimals and percentages

Enrichment & special Events:

Children in year 6 will continue to work alongside their buddy in reception this term.

Friday 31st January - Language and Cultures day

Friday 14th February s Broadstone's Got Talent

French

Continuing from French last term, children across year 6 will be writing a mini-guide book about Paris including information about its most significant landmarks and places.

Personal, Social & Health Education.

In PSHE, we will identify how we can reduce our feeling of worry, and learn how to provide support for others who are worried or anxious.

Relentless Routines.

PE:

Friday 6JL, 6CM, 6ZW

Homework set on Monday and returned the following Monday.

Please encourage your child to read independently every night. Reading records and reading books should be brought into school every day. On Friday, reading records should be signed by an adult at home along with a comment.

R.E

In RE, we will learn about the Hindu world view and way of life. We will investigate the key concepts of Karma, Dharma and samsara and how this might affect how a Hindu lives their life.
