

BROADSTONE HALL PRIMARY SCHOOL NEWSLETTER

Week 17 ending 16th January 2025

Welcome to the Broadstone Hall Primary School Newsletter!

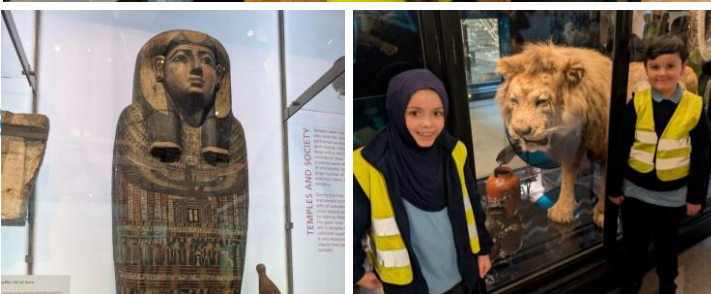

HEADTEACHERS NOTE:

I would like to say a big thank you to our amazing Reception children who took such great care of my dog **Ellis** when he came into school on Tuesday. Ellis spent his first 4 years of life as a fulltime school dog and worked alongside me at my previous school. He is trained to work alongside children and thrives in a school environment. He is now retired from fulltime work but it was great to see how he switched back into work mode for the day on Tuesday. Our Reception children hopefully learnt a lot about caring for a dog and all 75 children had the opportunity to walk Ellis during their "Weekly Wander." I hope they all came home with lots of stories! It was amazing to see how they grew in confidence being alongside Ellis throughout the day.

YEAR 4 TRIP TO MANCHESTER MUSEUM

It was Year 4's turn this week visiting Manchester Museum. They had a great time at our Egyptian workshop. There was some interesting discussions with Jenny about the mummy and whether she should be kept in the museum or sent back to Egypt. What is your opinion?

YEAR 6 SCIENCE

How cool is this? Y6 have been learning about their respiratory system this week using **Virtuali-Tee's!** This interactive classroom tool allowed the children to receive a learning experience that makes science memorable and engaging. This tool also covers the bloodstream, lungs, digestive system and lungs for a truly immersive way to discover the human body. Wish they had this when I was in school!

Y6 READING BUDDIES

Did you know about our "Reading Buddies?" It is a heart-warming scheme set up in school where Year 6 work alongside children from Reception to Y2, mentoring them with their reading. The Y6 buddies sit, nurture & listen to the little ones read; supporting them with their letters & sounds.

LUNCHHOUND ORDERING

Please can we remind parents of children on school dinners that it should be the **parents** responsibility to be ordering your children's meals from home using the Lunchhound system <https://orders.lunchhound.co.uk>

It is a 3 week rolling menu and you can book in **advance**.
