HEADTEACHERS NOTE:

As a school, we are constantly evolving, changing and trying to improve for the better. EARLY YEARS HAVE GOT DUCKINGS!!!

This year we opted for a different hatching experience with ducklings rather than chicks – and gosh they are funny! The ducklings are much friendlier and inquisitive. Working with "[Incredible Eggs](#)" we can ensure that the hatching kits are ethically sourced from small family run farms. Immersing children through real experiences like this allows us to support them in all areas of learning.

Our reading team is having an audit of our home reading books next week. Books will not be sent home to allow us time to organise our books and order more books where needed. Please send in any books that belong to school so we have an accurate picture of what we currently have in circulation.
