

Broadstone Easter Challenge 2020

This year is the 125th anniversary of the founding of the National Trust whose aim is to protect and care for special places so people and nature can thrive for generations to come.

Our Easter challenge 2020 is to decorate an egg inspired by special places and nature. You can draw, paint, build, collage or decorate a 3D egg: the choice is yours.

Entries must be in by
Monday 30th March.

Good luck!

Hmm...animals,
plants, trees, walks,
Quarry Bank Mill,
Lyme Park...
