

# Children's Mental Health Awareness Week 2022

## How to get involved

**STOCKPORT**  
METROPOLITAN BOROUGH COUNCIL

# Thank you for using this pack!

On behalf of the teams at Stockport Family and the council, I'd like to thank you for getting involved with the Children's Mental Health Awareness Week on the 7-13 February.

We all know how important mental health is, especially in childhood. The council is committed to doing more to support mental health in education, and part of this involves raising awareness of all the free support for children and young people (as well as their families) available in Stockport.

There are so many ways to get involved with the Awareness Week this year. In this pack, we've included a lot of printable resources, local information and ideas.

We hope you find this useful. Please let us know how you get on by using the hashtag on Twitter - [#ChildrensMentalHealthSPT](#)

Best wishes,

**Heidi Shaw**
