

Dear Parent / Carer,

Welcome to Priestnall School. This year, we will be offering our first Virtual Open Evening. This is currently in production and will be shared with prospective parents/carers and their children within the next few weeks.

Following the virtual evening, you will have an opportunity to ask specific questions, have a discussion with a member of the Transition Team or book a personalised tour by appointment only. These tours are limited in numbers and will need to be booked for a specific purpose.

We are looking forward to sharing all the great things that are going on here at Priestnall and hope to see you in person very soon.

Kind regards,

Mrs H Drury & Mr S Thomas

Transition Team
