FOREST SCHOOL FUN!!!

Forest School is an exciting project run by two qualified Level 3 Practitioners, Mrs. Whitlow & Mrs. Major.

The children take part in a range of activities which aim to develop and encourage their independence, confidence and co-operative skills. These include games, woodcraft and outdoor skills.

Today the children had fun toasting marshmallows over an open fire under careful supervision. Yum!

WORLD POETRY DAY

Last week was World Poetry Day and we have these excellent contributions.

ENVIRONMENT

Endangered animals

Nature at risk

Very beautiful wildlife

I love my planet

Reduce, reuse, recycle

Only to be saved by us

No change is not an option

Melting icecaps, waters rising

Everyone act

Never give up

Today is the time to change

THE POLAR BEAR

Big, white, fluffy bear,

He must think that nobody cares.

Melting ice caps, waters rising,

His white world used to be thriving.

Purple Mash is our homework website for Year 1-6. It enables children to explore and enhance their knowledge in a fun and creative way.

Don't forget now you need to click on Serial Mash to get your child's reading book and quiz!

PENCIL CASES IN SCHOOL

As part of the Year 6 privileges, children are allowed to bring in their own pencil case, though not huge bulky ones & only to include resources that will be used.

Other classes will have their resources provided by school & they mustn't bring in a pencil case.
