Who are FOB – “Friends of Broadstone”

For everybody who is unsure or doesn't know who we are; Friends of Broadstone (FOB) is a volunteer-run fundraising body for Broadstone Hall Primary School. We are made up of parents, carers and staff from across the school. All parents, carers and staff are automatically part of FOB from the moment they join the school and are welcome to vote at the meetings. We would love it for each and every one of you to be actively involved in any capacity that you can and help us enrich the children's experience here at Broadstone Hall Primary School.

STOP THE PRESS! We are really excited to be able to FINALLY have our first face to face FOB meeting since before COVID.

FOB Meeting - 14th November 6.45pm in School Hall

We would *love* to welcome all of our current FOB supporters, plus anyone who would like to find out more about what we do and how you can get involved in helping out.

We have opportunities to help out at the odd event or sign up for a more hands on role on a regular basis. There is always loads to do, and lots more we could do!

December in particular is a really exciting and busy month for FOB fundraising activity and we will be looking for as much help as we can!

We look forward to seeing you all on 14th!

Y4 @ DEMON DENTIST, THE OPERA HOUSE

Last week Year 4 went on their first trip out of the year to watch Demon Dentist at the Opera House in Manchester. Here is a great review from one of our students:

“As soon as I got into school the morning of the trip, I could tell everyone was excited. We boarded the coach and when we started driving everyone started screaming.

Everyone cheered when we got to the theatre and when we got off we were taken our seats. After what seemed like a long wait, the show finally started! Hurray!

Over the course of the first half there was a lot of action with the main character being Alfie.

The second half was a little bit scary but I was fine.

It was sad when it ended but it is always sad when something ends.

We went back to the coach and came back to school.”
