IT'S FLU SEASON

IntraHealth are concerned that the uptake on Flu vaccinations in our school were **100 children lower** than those who were vaccinated in school last year. Therefore, they are offering a 3rd and final school visit as a catch-up for the flu vaccination.

Please note: Do not wait to go to your doctors. Most GPs **will not** have the allocated time to do the vaccination so this could be the only opportunity to receive the flu vaccination during this year's flu season.

The consent link has been reopened:

<https://www.nhs.uk/flu/information?Id=106034&Type=FLU>

and will close on the night of Wednesday 7th December, for our session in school on **Friday 9th December.**

Those children who have already received the vaccination do not need to consent as they should not be vaccinated again and those who do not respond will not have their children vaccinated as we only vaccinate with the consent of the parent/guardian.

CHRISTMAS CARD DESIGNS

I have had confirmation from APFS that the Christmas cards/wrapping paper/gift tags etc will be sent out on 6th December and should arrive at school no later than the 8th December, where we will distribute them as soon as possible.

A CHRISTMAS CAROL

Last week we had the "Manchester Acting Company" in to visit our school and perform 'A Christmas Carol' exclusively for our Year 5 & 6 children.

A Christmas Carol, a Charles Dickens' classic story was performed by professional actors using a range of engaging and immersive approaches. Following the performance, the actors held a 30-minute Q&A session where our children were able to talk directly to the characters and ask any questions so they could have to better understand the story.

WRITER OF THE WEEK:

Reception RICC
